

Socimobel nace en 1998 con el propósito de crear mobiliario de baño de alta calidad.

Desde entonces, nuestra misión nos ha llevado a fabricar en instalaciones propias todo tipo de mobiliario para baño, convirtiéndonos en referentes del sector.

Nos gusta cuidar y mimar nuestro producto hasta el mínimo detalle, y eso se traduce en un excepcional servicio al cliente. Sabemos qué necesita y nos comprometemos para que tenga lo mejor.

En esta colección de 2016, ofrecemos un mobiliario de estética actual y gran diseño y además una enorme versatilidad. Nuestros muebles están disponibles en varias medidas y numerosos colores y acabados.

Socimobel was born in 1988 with aim of create bathroom furniture of high quality.

Since then, our mission has taken to make in own factory all type of bathroom furniture , becoming in representative in the area.

We like to take care and spoil our products until the last details and this is translated in an exceptional service to client. We know what you need and we compromise ourselves in order that I have the best thing. In this collection of 2016, we offer an actual bathroom furniture and big design, however a big variety. Our bathroom vanities are available in different measures, colours and MDF design.
